

Step 3

Please follow the steps outlined on the attached Orientation & Program Information Sheets for the next items

_____ [Summer Orientation Application](#) – Available **March 2020**

_____ [FAFSA – 2021/2022 \(use this application for fall & spring financial aid\)](#): Available **NOW!** When completing the FAFSA select the IRS retrieval tool to upload the 2019 1040 information to the FAFSA to ensure accuracy of your information. For instructions on the IRS Data Retrieval Process [click here](#).

_____ [Wellness Modules](#) – USF requires all first-year students to complete modules geared to help you with your transition to college. You must earn a score of 80% or higher in each module (with the exception of the Sexual Assault Prevention program, which is not scored. All modules must simply be completed by the deadline to successfully fulfill this first-year student requirement. **There are 5 modules total and completion of all five modules takes approximately seven hours**; thus, we strongly encourage you to not delay in fulfilling this requirement. Further instructions to access modules will be sent to you in May 2021.

IMPORTANT!!

When you submit a 2020/2021 FAFSA, all of your summer costs are covered if you are a low income student.

Do you have dual enrollment credit? If so, it is important that you call and request to have transcripts sent to USF from the college you attended. This will ensure completion of your admissions and your financial aid funds can be released. Please check your USF OASIS account in order to confirm that USF has received your dual enrollment transcript.

If you delay in returning the completed information, it will interrupt the registration process. If you have any questions, please feel free to contact the Student Support Services office at (727) 873-5196.
