UNIVERSITY OF SOUTH FLORIDA AND DUKE ENERGY **STEM BOOT CAMP 2021** FOR PINELLAS COUNTY TEACHERS

Join the USF College of Education for our second STEM Boot Camp! Current Pinellas County teachers will learn how to integrate VEX Robotics, coding, and virtual and augmented reality into their classrooms. Additionally, participants will immerse themselves in a day of Ocean and Marine Sciences at USF's Clam Bayou. For participating in all four dates, each teacher will receive a technology package worth over \$600.

100% of the teachers who participated in 2019 said they would participate in the Boot Camp again!

TO APPLY, PLEASE VISIT THE STEM BOOT CAMP WEBSITE

Applications are due 12:00 pm Friday, December 11th.

The STEM Boot Camp will be following the guidelines set forth by USF and the CDC. For more information please visit the STEM Boot Camp's website: stpetersburg.usf.edu/events/stem-boot-camp
