

Parking at the University of South Florida St. Petersburg 2020- 2021

Safety Tips

- Lock your vehicle when you park.
- Don't leave your vehicle unattended with the motor running.
- Don't leave money or valuables in your vehicle where they can be seen.
- Call the University Police Services (727-873-4444) for an evening escort to your vehicle.
- Keep your keys in your hand when entering or leaving your vehicle.
- Be aware of your surroundings when entering or leaving your vehicle.
- Use the emergency phones provided in the parking lots and on buildings to contact police in the event of an emergency.

Parking Enforcement

Parking rules and regulations are designed to: provide orderly parking for students, faculty, staff and visitors; protect pedestrians; and to ensure emergency access to all buildings. Violation of these regulations can result in parking citations, immobilization/towing of your vehicle or loss of parking privileges on campus. **Only the Parking Services Department has the authority to waive, amend or grant exception to these regulations.** The Parking Services Department will make every effort to ensure that parking space is available to anyone who purchases a parking permit through enforcement of these regulations. Due to limited number of parking spaces on campus, enforcement of parking regulations is important even during off-peak periods. A concerted effort is made to enforce regulations as uniformly as possible.

Display of Parking Permits

Repositionable permits must be displayed inside the vehicle on the lower left driver's side of the windshield with the permit **clearly visible** from the exterior of the vehicle. Hangtags, E-permits or temporary permits must be displayed on the vehicle's dashboard and **clearly visible** from the

exterior of the vehicle. If you have a heavily tinted windshield, or have difficulty hanging your tag from the rearview mirror, contact Parking Services at (727-873-4480) for possible options.

Disabled drivers may park in any disabled space on campus with an appropriate state disabled placard or license plate and a **VALID USF PERMIT**. Either the disabled placard or license plate **and** USF permit must be clearly visible from the exterior of the vehicle.

Hours of Enforcement

Parking is enforced 24 hours a day, 7 days a week including holidays, and academic breaks.

<https://www.stpetersburg.usf.edu/parking>

Check/money order payments may be made by mail, or deposited in the drop box outside Bayboro Hall. Cash payments and phone payments are not accepted.

Parking citations must be paid in full within 14 calendar days of the date the citation was issued. Citations not paid or payments received after 14 days are subject to a late fee of **\$15.00**.

Amounts due Parking Services which are still outstanding after 30 days may be transferred to a collection agency or deducted from a staff paycheck with additional fees assessed by the agency.

Student records may be placed on hold and class registration prohibited.

Immobilizing/Towing of Vehicles

Vehicles may be immobilized or towed for the following reasons:

- Unauthorized use of Disabled parking
- Failure to respond to immobilization/tow notice
- Obstructing traffic
- Creating a hazardous condition
- Display of a counterfeit, stolen, altered, lost or revoked permit
- Excessive number of unpaid citations (more than 2) (NOTE: Warnings are not included in the count)

If your vehicle has been immobilized or towed, contact the Parking Services at (727-873-4480) during normal business.

The release of your vehicle will require payment of **ALL** outstanding fines and associated fees to Parking Services. A fee of **\$50** will be assessed for an auto immobilization device. Additional charges for towing and storage of vehicles must be paid in cash to the towing company. Each towing company charges and fully retains all fees. Standard rates are **approximately \$100** for towing, **\$25** a day for storage, **\$3** per mile, and up to a **\$60** administrative fee, but may change without notice. Transportation to the towing company impound area is the responsibility of the driver.

Immobilization or towing of vehicles is our last resort in collecting outstanding citations!

Please respond to parking citations and observe parking rules and regulations!

Appeals

Individuals who receive a parking citation and believe that extraordinary or mitigating circumstances warrant waiver of their parking fine may petition the Parking Services Department for reconsideration. Parking citations may be appealed within fourteen (14) calendar days of the date the citation

Parking at the University of South Florida St. Petersburg 2020- 2021

was issued. If an appeal is not submitted within fourteen (14) calendar days from the date the citation was issued, **the right to appeal is forfeited**. Appeals may be made in writing, or electronically at:

<https://www.stpetersburg.usf.edu/parking>

Late fees do not accrue during the period that the appeal is under consideration.

The following are reasons that **will not be accepted** by Parking Services and the Final Appeals Committee as reasons to dismiss or reduce a citation. This is not an all-inclusive list:

- Disagreement with the Traffic and Parking Regulations
- Ignorance of the regulation
- Stated inability to find a permitted parking space
- Operation of the vehicle by another person
- Stated failure to issue citations previously for similar violations
- Tardiness to class and/or appointment
- Inability to pay fine (lack of money)
- Permits displayed incorrectly or expired permits.
- Traffic congestion
- Received bad verbal information
- Stated perception that designated parking area is not safe

Appeals should consider the following:

1. Make sure your reason for the appeal is not one of those listed above.
2. Prepare a concise written statement.

Those (non-students) dissatisfied with the decision of the Appeals Mediator may petition for review of the citation by the

University Final Appeals Committee within 14 days of the appeal decision. The University Final Appeals Committee is comprised of faculty, staff and students. **The decision of this committee is based on parking rules and regulations and constitutes the FINAL DECISION.** If the citation that has been paid is dismissed in the appeals process a refund will be issued through the appropriate University refund process.

If a student is dissatisfied with the decision of the Appeals Mediator, they may make a final appeal to the USFSP Student Government Supreme Court.

Special Events

Event parking in large metropolitan universities can be a challenge. Our goal is to ensure that guests and visitors have a positive parking experience during their campus visit.

Special events are defined as any activity outside of the normal business and academic schedule of the University. Examples include but are not limited to: workshops, meetings, conferences, banquets, ceremonies, performances, camps and seminars.

Parking arrangements for events should be made in advance. The cost for parking may vary for these events. A minimum of three (3) weeks advance notice is required to coordinate event parking.

Camps and Conferences

USFSP has many academic and athletic camps and conferences. Parking arrangements for these camps and conferences vary depending on the time of the year and location.

It is necessary for sponsors of the camp or conference to make arrangements for parking and secure permits for participants, coaches, staff, etc. **Parking Services should be consulted at the beginning of the planning process for the event.**
