

ATTENTION ST. PETERSBURG PROFESSIONALS

USF St. Petersburg is seeking project-based work for students during Summer or Fall 2022

USF St. Petersburg campus is seeking local organizations and businesses to offer work projects or other experiences for students who have completed the Innovation Scholars mentorship program, participated in a professional development course, and are interested in continuing to gain experience in their fields of interest.

We are currently seeking work experiences in the following areas:

Criminal investigations & law, marketing and finance, cybersecurity, healthcare, and dentistry.

▶ BACKGROUND

The Innovation Scholars Career Exploration Program places first-year students with professionals in and around St. Petersburg, allowing students to shadow mentors and test career options to help solidify academic paths early in their university experience. The program's minimal initial time commitment allows students and potential employers to make immediate connections.

▶ HIRE-A-BULL ACADEMY

Students come to you having completed a professional skills training program. The Hire-A-Bull Academy focuses on skills in professional communication, networking, teamwork and critical thinking. The course was created based on feedback from mentors,

▶ WORK PROJECT REQUIREMENTS

- Offer students professional experience, while supporting businesses and organizations with project assistants.
- Provide approximately 20 hours of work (potentially more if stipulated)
- Ideally offer a stipend (i.e. \$300 for 20 hours). If pay is not an option, we may seek additional sources of funding.

▶ REGISTRATION & CONTACT

Register at tinyurl.com/ISPWorkExp and tell us about your project.
