We appreciate your support and involvement in  
your students time at USF St. Pete.

### Spring Registration is still OPEN!

All USF Students can **register** for their spring classes at this time. Your student can register themselves through Schedule Planner. Schedule Planner allows your student the ability to plan coursework for the upcoming term(s), by providing various scheduling options that best fit their busy lifestyle.

We recommend that students meet with their advisor prior to registration. Meeting with an advisor ensures that you are taking the appropriate courses for your degree each term and will keep your student on the most efficient path towards graduation. Learn more [here](#).
