QUESTIONS TO SPARK SUCCESS

It is week 3 of the Summer A/C term! Summer terms move at a rapid pace and can often be overwhelming. Now is the perfect time to check on your student's success. Spark up conversation and consider asking the following questions:

- What study strategies and habits are working for you? Which ones do you need to change?
- What are some challenges you're facing? How can I help?
- What resources are you using this semester? Do you know where to go if you need help?

Encourage your student to connect with the Student Success Advocates if there are any academic concerns.

Contact usfsp-studentsuccessadvocacy@usf.edu with any questions and concerns. We help students succeed from A to Z!

Has your student encountered a challenge and do they need help navigating a USF process, policy, or procedure? Is your student struggling and you need to connect them to support they need? Want the most accurate information to empower your student to overcome an obstacle? Fill out our Family Coaching Form so you can receive direct follow-up from your family coach.

Are you concerned that your student is experiencing personal, emotional, or behavioral distress? If so, we encourage you to learn more about **USF Student Outreach and Support and submit a referral form.**
