

We hope you all are remaining safe and healthy during these times. USF St Petersburg Campus Recreation is open, and we are excited to have you back! We wanted to tell you about the policies we've put in place and the precautions we're taking to keep everyone safe.

All students, faculty, and staff members are required to complete the COVID-19 daily symptom check in order to access our facilities. All other members must answer a short questionnaire upon entry to any Campus Recreation facility. If you have been in contact with someone who has tested positive or are not feeling well, please do not enter any Campus Recreation facilities.

We have moved or taken some equipment offline so our members can practice physical distancing while using Campus Recreation facilities and programs.
