### PINELLAS ACCESS TO HIGHER EDUCATION

We're here to inspire, motivate and counsel all students, families and community members in Pinellas County on the resources available to them and to open the door to post-secondary education. Our aim is to help all Pinellas County residents who want to discover the opportunities available for higher learning.

Contact a PATHe Advisor to discuss options and develop a customized post-secondary education plan. We are able to assist with the following:

- The college admissions process
- Choosing an institution
- Selecting a degree program
- Financial resources
- Transfer Support:  
SPC to USF St. Petersburg campus
- And more!
